SINGING SOUND OF MARIA TOUR

The Singing Sound of Maria Tour features an extraordinary live show presenting the hits from the musical at the original filming locations.

The Singing Sound of Maria Tour is much more than an ordinary sightseeing tour. It combines world-class entertainment with breathtaking landscapes and features the locations used in the scenes from the famous Hollywood blockbuster. You'll hear some of the greatest hits of the 20th century, like "Sixteen Going On Seventeen", "Do-Re-Mi" – and of course the ever-popular "Edelweiss". The tours are conducted in a luxurious premium bus with a panoramic glass sunroof. Its leather seats offer adjustable headrests and generous seat spacing. Thanks to the bus's WLAN system, you are in constant contact with the outside world and can share your impressions with your loved ones any time you like.
