MARIA'S WALKING TOUR

Visit the movie locations in the historic Old Town of Salzburg
(UNESCO World Heritage Site)

The "Maria's Walking Tour" leads through the heart of Salzburg's historic Old Town, which is one of the UNESCO's World Heritage Sites and jam-packed with Sound of Music filming locations. For example, the scenes for the famous song "Do-Re-Mi" were filmed all over town and today those places are world-renowned! The "Maria's Walking Tour" leads through the Mirabell Gardens and across the Salzach River to the elevator up to the Moenchsberg. Up there, you'll have a breathtaking view of the Old Town's many church steeples, all rising between the forested slopes of the Kapuzinerberg and the Fortress's perch up on the Festungsberg.
