TASTE THE LEGACY

Sound of Salzburg Menu

At the heart of your Salzburg day: the “Sound of Salzburg Menu”, served exclusively at the elegant HYPERION Hotel Salzburg.

Crafted by Executive Chef Michael Daus, this refined **three-course** lunch blends Alpine, Mediterranean and Asian influences – a culinary tribute to the world famous Hollywood blockbuster.

His natural yet sophisticated cooking style has delighted guests across Europe and now shines in Salzburg’s **most stylish 5-star hotel.**

“We came for seeing the sights, but stayed for the magic. The tour was breathtaking, the music gave us goosebumps – and the lunch was simply unforgettable. A perfect day our family will never forget.”

Three-course menu

Begin with our playful “Do-Re-Mix” aperitif, a sparkling nod to Uncle Max’s pink lemonade.

Follow with a delicate beef essence with tartare, porcini mushrooms, goat cheese and apricot – a taste of Alpine refinement.

As **main course**, enjoy a herb-crusted veal paillard with alpine vegetables and green papardelle – an elegant twist on the beloved “Schnitzel with Noodles.” Finish with a warm apple strudel – Austria’s classic reimagined.

Whether you’re celebrating with family, entertaining guests or simply treating yourself – this unforgettable lunch is a true highlight.
